C. J. Bennett, of Woodbury, N. J., writes:—"I have ordered the periodicals for the main school ever since its organization and have never ordered any but those of the American Baptist Publication Society and never would."

J. G. McCullough of Benson, S. C., writes:—"Considerable change will have to come about before our school will cease to patronize you. Long may you continue to do the great work that you have so long and so efficiently done."

Geo. W. Stewart, of Basic City, Va., writes:—"We have never failed to order our periodicals from you since our Sunday-school has been organized. You have always given us perfect satisfaction."

Report on Home and State Missions.

Report on Home and State Missions presented and read by Rev. J. O. Hill. Discussion deferred until Thursday 10 A. M.

We as Baptists can hardly conceive of a more important work in evangelizing than that being done by our State Mission Board. It should have our hearty sympathy, earnest prayers and liberal support. Much has been done and much more remains for us to do. Many new churches have been organized and weak ones strengthened and brought into touch with the working Baptists of the State. We must be able to hold the points already taken by our missionaries and be ready to take other important ones. There are fields to be occupied in all parts of the State; but special attention has been called to that in the Delta. In the history of our country Baptists have always been found in the front ranks of Pioneers' Let us not retrograde, but go foward emulating the example of our forefathers. We most earnestly recommend our secretary A. V. Rowe to the suport of the churches of this Association. Let us aid him by our sympathy and co operation. Let our contribntions be larg-r, our efforts more concentrated till our beloved State be under the banner of the cross.

Mississippi College Report, by Pittsboro Church.

Report on Mississippi College and Education was read by J. R Strain: discussed by J. R. Strain, J. O. Hill, H. L. Finley, A. J. Gaines and G. W. Riley. Report adopted.

This renowned Baptist Institution, as is well known, is located at Clinton Miss., and is owned, controlled and patronized, principally, by the Baptists of this State.

The opening this year saw 210 students enter, the largest in its history of half a century. The President of this instution, Prof. W. T. Lowrey, is a magnificent man, well equipped mentally and spiritually for the important position he holds, and is a consecrated minister of the gospel, In all probability the enrollment this session will go considerably beyond three hundred. For the past

two years the prevalence of yellow fever has prevented the college from spreading itself, so to speak, and making an effort to largely increase its student body Happily, this year, no contagious disease of any kind hampers the faculty and we confidently expect to see it broaden its influence and continue to do so until it is able to take in and educate the entire Baptist male population of Mississippi desiring a classical education. Every Baptist in the state should see to it that this college is not hampered in its work by the want of anything within the power of the denomination to bestow. If every one who wishes the college Godspeed—and who does not?—would do what they could to assist it in that mission by talking of its merits, giving it financial assistance, when needed, sending their sons there to be educated, it would be but a few year intil its enrollment would amount to one thousand students annually, and its power for good augmented an hundred fold. A veritable giant it would thus become and be an enormous factor in christianizing our beloved State.

Then again our ministry must be educated and as has been said in this Association—"God fearing ministers without an education are but diamonds in the rough." Mississippi College is one of the instruments in the hands of our Heavenly Father for polishing these rough diamonds, that they may glisten with the glory and beauty of our King and Creator on High, and thus be the better enabled to preach Christ crucified to a lost and dying world. Brethren it is of no use to longer lag behind. An educated ministry is a necessity, and the Baptists must not be in the rear. A man—it matters not his calling, avocation or profession—is the better enabled to do his duty by being in the possession of an education. See how important then it is that we support this institution and place within the reach of our ministry a high education at a nominal cost.

Association adjourned until 8:30 A. M. Thursday, with prayer by J. L. Roane.

Second Day--Morning Session.

Devotional exercises conducted by A. A. Bruner. Association called to order by moderator followed by prayer by H L. Hawkins

On motion Rev. J F. McKibben was seated as delegate from Concord church.

On motion of A A. Bruner Association sets its annual meeting.

Report on Orphan's Home.

Report on Orphan's Home called for and presented by J. O. Hill. Discussed by J. O. Hill, H. L. Finley, A. A. Bruner, A. J. Gaines, G. W. Riley. Report adopted and collection of $28.25 taken up for Home.

There is no work fostered by our great denomination that should appeal to the sympathies of our people more than the care of the orphans.

These children are often left without any one to care for them and are thrown upon the charity of an unfriendly world. In the earliest period of child life habits are formed that sometimes last and often lead to an unprofitable and even disgraceful life Now think of such evil influences to which our orphans are exposed when they are left without a guardian or any one specially to love and protect them.

We have a Baptist Orphanage founded by Rev. S. L. Foster, opened in Jackson, Miss May 12, 1897, that was founded especially for the protection and religious training of this unfortunate class. Does not our Lord command us to "Visit the fatherless in their affliction?" What is our answer? Several have been recently refused admittance into this home because of no room. We need more room—enough to accommodate 100 and ten cents from each Baptist of Mississippi would help wonderfully. May we see this in the Light of God's Word. Respt. Submitted,

Dividing Ridge Church.

Report on Home and State Missions reread and discussed by Rev. H. L. Finley.

On motion Association adjourned for preaching. Sermon by S. E. Wallace—Theme—The necessity of cenity in Christian Work. Adjourned for refreshments.

Afternoon Session---Second Day.

Prayer by A. J. Gaines. Discussion on Home and State Missions continued by Elders McKibben, Linder and Finley. Report adopted as read.

Report on Foreign Missions.

Report on Foreign missions called for and read by A. J. Gaines.

Discussed by H. L. Johnson, A. J. Gaines, G. W. Riley, J. D. Morgan, J. F. McKibben. Report adopted as read.

We your committee beg leave to report that God's people ought to make a greater effort to send the gospel to the heathen than ever before. God is calling His people to occupy foreign fields. Doors are being opened everywhere—Cuba, Porto Rico, Hawaii, the Philippines and bleeding China are stretching forth their hands, while the horrid stories of Missionaries being murdered teach us that men and women there love their Savior more than life and while the nations of the earth are threatening the dismemberment of China, let us marshall the hosts of God and take it for Christ. Let us send more men; let us give more money and let us pray God to hasten the time when the Son shall claim the heathen for an inheritance and the uttermost parts of the earth for a possession.

I. D. STACY,
A. J. GAINES } COMMITTEE.
J. B. MARTIN,

Call for correspondence renewed, responded to by Rev. H. L. Johnson reporting as corresponding delegate from Oxford Association and H. H. Harris from Aberdeen Association.

Motion cerried for adjournment until Friday at 8:30 A. M. Dismissed with prayer by J. D. Morgan.

Third Day---Morning Session.

Devotional exercises, conducted by G. W. Riley, after which the Association was called to order by the Moderator. Prayer by H. H. Harris.

Report on Temperance.

Report on Temperance submitted by H. P. Pate. Discussed by H. P. Pate, H. L. Finley, I. J. Collins, H. E. Groves, J. L. Roane, S. E. Wallace, J. D. Morgan, Austin Johnson, J. S. Hubbard, and J. F. McKibben. Report adopted as read.

We, your committee, beg to submit the following report on Temperance. Believing that alcohol in any form is the greatest enemy the human race has to contend with, when used as a beverage. It carries its thousands down to the grave every year; it fills our poor houses and lunatic asylums with victims and the penitentiary with criminals.

We would therefore recommend that this Associatiou use every reasonable means in its power to stop the sale and abolish the use of this poisonous liquid. Brethren, let us take new courage, for out of the seventy-five counties in the State there are only thirteen which have licensed saloons.

What wonderful strides we have made in the past ten years! and we pray God that in the next ten we will have a dry State entirely.

We further recommend that we, as a denomination, vote for no man for any public office, from the greatest who is in the habit of getting drunk or of dealing in whiskey in form. Let us vote as we pray. Respectfully submitted,

Elam Church.

Publications.

Report on Publications called for and presented by G. W. Riley. Discussed by G W. Riley, I M. Collins, H. L. Finley, H. L. Johnson, H. E. Groves, J. F. McKibben. Report adopted.

It has been truthfully said—"As a man thinketh so he is;" it is also true as a man reads so he thinketh: hence the great necessity of us being careful what we read. More than likely the press is the greatest power except the pulpit in moulding men's characters. As the world is flooded with all kinds of literature we should be careful in the selection of reading matter for ourselves and families. It is as important that we furnish food for the mind as it is for the body; and as we have such a large stock of good literature to select from it need not be a difficult matter to make a wise selection. For the general information of the Baptists in the State, we would recommend The Baptist, which is our denominational organ for the State and is worthy of our patronage.

The Foreign Mission Journal is the organ of the Foreign Mission work of th S. B. C. and might be read by every baptist. It can now be obtained for twenty five a year. The Home Field is a very cheap paper and gives all necessary information of our home mission work. We would especially recommend the Orphan's Gem published by Bro. Foster in the interest of the Orphan's Home. Every family ought to take it; especially for the children to read. We would especially recommend that all our Sunday Schools patronize our Home Board.

Resptfully Submitted,

Sarepta Church.

Association adjourned for preaching. Sermon by H. L.

Johnson. Adjourned for refreshments.

Afternoon Session--Friday.

Association called to order. Prayer by Rev. G. W. Wright. Report on Sabbath Schools call for and read by Rev. J. S. Hubbard, discussed by J. S. Hubbard, R. F. McKibben, A. A. Bruner, Austin Johnson, H. L. Johnson. Report adopted.

Report on Sabbath Schools.

We your committee on Sunday Schools beg leave to report as follows: We know that it is the duty of our churches to do all that is possible for them to do in advancing the cause of our blessed Redeemer here on earth: And as there is no better place to teach the word of God than in the Sunday School. We would respectfully recommend that each and every church organize a Sunday School at their place of worship and would especially recommend that each pastor bring the subject of Sunday Schools up before his churches and urge each one to organize a Sunday School.

From the reading of the letters to this body we are sorry to say there were but few S. S. reported. We find from observation that it is not the fault of the children in not keeping up a S. S. but the fault lies at the door of the parents who are members of the church, and who instead of saying "Come children let us go to Sunday School" say nothing or tell them they may if they wish
